Subject: isotopic analysis

Dennis,

I have checked to see if Cabot forwarded EPA copies of their isotopic analytical reports pursuant to the 104(e) Request.

All I have been able to locate are two files with COCs for isotech samples for Ex. 6 - Personal Privacy's residence.

So apparently no isotopic analytical reports were provided to EPA. I know from the October 11, 2011 "Proof" report that Cabot did for DEP that isotopic samples were collected and analyzed for at least the following residents: Ex. 6 - Personal Privacy

Sautner, Ex. 6 - Personal Privacy

Ex. 5 - Deliberative

Thanks,
Rich
